**Club Name:** NSCS Regis Chapter

**Club President:** Cassi Konopasek

**Who to Contact:** Cassi Konopasek

**Contact Information:** *email-konop012@regis.edu*

## **Club Description:**

The Regis University Chapter of the National Society of Collegiate Scholars (NSCS) was established in 2005. We are a student organization dedicated to community service. We strive to increase awareness about the importance of living a life of integrity and encourage the youth in our local community to further their education. These goals are reflective of our mission to honor and inspire academic excellence and engaged citizenship for a lifetime.

## **Club Goals:**

Community service activities that we have sponsored include, but are not limited to, the following: Integrity Day, Volunteering for Planning to Achieve Collegiate Excellence and March to College Day. We take much pride in March to College Day, which is held every spring and is an event designed to help encourage the youth in our community to attend college by providing them with information about college life, financial aid, scholarships and ensuring them that college is within their reach. For the past five years, eighth graders from Skinner Middle School have participated in March to College Day in which they have had the opportunity to sit-in on classes, tour the campus, have lunch with Regis students, and even attend a Biochemistry, Physics, and Choir Presentations!
