Club Description: Alpha Sigma Nu is a nation-wide honor society for students of Jesuit institutions of higher education who distinguish themselves in scholarship, loyalty and service. Juniors and seniors with at least a 3.5 GPA are invited to apply. We accept 4% of the applicants from each class (or approximately 11 students from each class). We partner with the Alpha Sigma Nu Alumni Club in the Denver area.

Club Goals: This club sets out to promote the ideals of Jesuit education. We have several service projects per year, including participation in Fr. Woody events and March to College Day. We work with the Alumni Club on some of these projects. Another goal is to have a tight-knit group of students who exemplify scholarship, loyalty and service. Co-programming with other clubs at Regis has been a key goal this year as well.

Meeting Locations: We have had meetings in various locations, including library study rooms and the Aspen room.

Meeting Time: We do not have a set meeting time. During the Fall of 2011, we have met 5 different times for social events, community service, and selection of new inductees.
