

**REGIS UNIVERSITY STUDENT GOVERNMENT ASSOCIATION  
CLUB/ORGANIZATION INFORMATION FORM**

**Club Name: Tri-Beta (Honors Biology Research Society)**

**Club President: Alexandra Lynch & Meghan Moroze**

**Club Contact: Alexandra Lynch**

**Contact Information**

**Phone: 303-514-5747**

**Email: lynch488@regis.edu**

**Club Description: Tri-Beta is an honors biological research society for biology and related majors who are interested in pursuing research opportunities, both on and off campus. Tri-Beta serves to make students aware of these opportunities, as well as inform them regarding graduate school possibilities.**

**Club Goals: Tri-Beta's goal is thus to get students involved in research, and make them aware of how to take advantage of possible opportunities. Tri-Beta hopes to make students aware of how to better prepare for graduate school or similar opportunities in biology.**

**Meeting Locations: Science amphitheater in Science Building**

**Meeting Time: The second and fourth Thursday of the month, at 5:30pm.**
